

# DESIGN THE INDIGENOUS ALL STARS PAINTING FOR THE 2019 ALL STARS

## All Stars is back for 2019 and this is your opportunity to be part of the Men's and Women's Indigenous All Stars teams

The Rugby League All Stars event is a celebration of Indigenous excellence on and off the field.

All Stars is a week-long celebration of Rugby League's commitment to Indigenous Australia and this is **YOUR** opportunity to get involved.

The Australian Rugby League Indigenous Council is currently inviting artists from within the Aboriginal and Torres Strait Islander community to become a key part of the 2019 Indigenous All Stars celebration by submitting a painting design for consideration to be incorporated within the 2019 Indigenous All Stars merchandise ranges, including the admired Men's and Women's Indigenous All Stars player jerseys!

### DESIGN BRIEF

- Submissions are to tell the story of this unique event, team and most importantly recognise and celebrate Aboriginal and Torres Strait Islander culture within the Rugby League community
- It is essential that designs submitted represent all players of either the Men's or Women's Indigenous All Stars team
- Design must also capture the spirit and passion of the Indigenous All Stars teams
- All designs must be authentic and original work of the artist submitting the design and must not infringe on the rights of any other party. Submitting artist must be the sole owner of the copyright in the submitted design and indemnifies the Australian Rugby League Commission (ARLC) in relation to any claims made by third parties regarding the submitted design. Should there be a dispute in relation to the copyright in the submitted design, the Australian Rugby League Indigenous Council reserves the right to request further information from the artist to determine copyright ownership
- Artist to provide relevant sketches, research and brief background on design inspiration and story at the time of design submission

## DESIGN CONSIDERATIONS:

- Design base colour to be black and/or can be applied to a black jersey base
- Design is to be submitted as an all over print landscape design with artist also supplying examples of the design applied onto a jersey
- Consideration is to be given to the Indigenous All Stars logo placement in addition to team sponsors
- Ideally the Indigenous All Stars logos (Men or Women) and submitted design should complement each other
