*The latest news and updates from the Voice Against Violence Program*

## WHAT WE HAVE BEEN UP TO?

### Gallery

The Voices Against Violence program is delivered throughout the Pacific, Australia and NZ. The program engages boys and girls, young men and women adults around the awareness and prevention of violence also known as Violence Against Women and Children.

This month was about planning, establishing mutual relationships, and executing our goal of showcasing awareness of the Voice Against Violence Program towards both convent and government high schools. Tonga is well known as a religious country. There are over 22 academic institution for higher education and only 2 of them are government owned. The rest are owned by the church.

This month was a success as we started off the Voice Against Violence launch at the church high schools:

1. ACTS Community School
2. Ocean of Light International School
3. Tailulu College
4. Lavengamalie Christian College
5. St. Andrew High School

**Fact:** Other common names of Violence Against Women and Children:

- Domestic Violence
- Family Violence
- Gender Based Violence

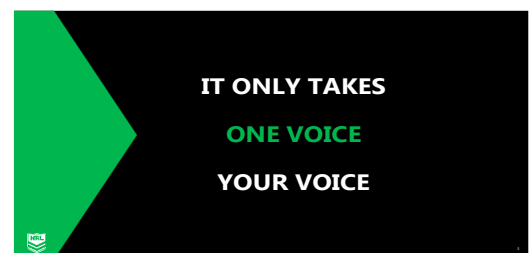

We like to thank the Principal and staff of the following Schools for supporting the Voice Against Violence Program. The Program consists of 4 core values:

1. Respect
2. Gender Equality
3. Unity
4. Inspire

We believe that introducing awareness of the Voice against Violence program to the next generation is a powerful seed being sewed. This allows them to understand what to do and how to prevent such events if it were to happen.

### Quote Of The Day

*"Each time a woman stands up for herself without knowing it possibly, without claiming it, she stands up for all women." — Maya Angelou*

**Other news:** Proudly inform that the NRL are in collaboration with Bank of the South Pacific FSVAC.
