### **Who We Are**

Event Travel Management (ETM) is a multi-award-winning provider of professional event management services that deliver exceptional value through creative and meticulously planned events.

### **The CTM Story**

Corporate Travel Management was established in Brisbane in 1994 by founder Jamie Pherous, and a team of just two staff. It was his goal to offer the market an innovative and refreshing alternative to the global travel managers servicing Australia and New Zealand. Since inception, CTM's core values have remained the same; providing highly personalised service, developing innovative and flexible client solutions and a commitment to demonstrating a positive return on investment for our travel management services.

Since then, the company has grown to become one of Australia's largest travel management companies and in late 2010 CTM was successfully listed on the Australian Securities Exchange (ASX).

The company today employs more than 2,200 people, and the CTM network provides local service solutions in more than 70 countries globally. The company still maintains its administrative base in Brisbane, Australia today.

CTM continues to enjoy global acknowledgement for its market-leading travel management solutions, including winning the Australian Federation of Travel Agents' (AFTA) award for 'Best National Corporate Travel Management Company in Australia' twelve times, and later being inducted into AFTA's Hall of Fame for continued excellence. The company has also been acknowledged in the AFR Most Innovative Companies List in 2015 and 2016 for its ongoing commitment to innovation.
