

OUR TOP PICKS

- In Perth hang out among the vines in WA's oldest wine region, the **Swan Valley**, located a 25-minute drive from Perth city. Here you can meet the makers at some of the small family wineries or sample some of the wines that grace some of our top restaurants.
- **Kings Park and Botanic Garden**, is one of the largest inner city parks in the world. At 400 hectares, it is larger than New York's Central Park.
- Perth's newest public precinct, **Yagan Square**, is a hub of activity day and night with bars, events, a spectacular lighting installation and large screen; plus a market hall with over 20 different eateries to tempt your tastebuds.
- Meanwhile, Perth's 'hipster' city of **Fremantle** has been catapulted into the spotlight, following the release of Lonely Planet's Best in Travel 2016 edition.
- Make your way to one of the **19 pristine metropolitan** beaches lining Perth's coastline and find your own slice of white sand to relax and enjoy one WA's iconic Indian Ocean sunsets. Surfers head to Scarborough and Trigg, while swimmers and stand-up paddle boarders cool off at Cottesloe or Mettam's Pool between Sorrento Beach and Trigg.
- Perth's idyllic island playground, **Rottne Island**, can be reached in just a short, 30-minute ferry ride from the mainland. On its shores, 63 stunning beaches, 20 beautiful bays and many coral reefs and wrecks invite you to enjoy some of Australia's finest swimming spots, snorkel trails and surf breaks. It's also here you'll find the world's cutest animal, the famous quokka.
