

FIND YOUR PATH TO SUCCESS & BUILD REAL SKILLS FOR REAL CAREERS

The NRL-VET Pathways program has been designed to promote the many benefits of a Vocational Education & Training qualification, raise the awareness and status of undertaking a VET qualification.

Current & former NRL & NRLW Players who have completed a VET qualification, highlight their VET pathway and outline the successes they experienced during their Rugby League and Vocational Career.

**I AM PASSIONATE
I AM RESILIENT
I AM DEVOTED**

"Doing a trade, or going down the VET pathway was very helpful for preparing me for real world. Drawing back on the skills I learnt has been extremely beneficial through the different phases I have gone through in my own personal and professional life."

JESSICA SERGIS

Certificate 3 in Early Childhood Education & Care

**I AM DUNAMIS LUI
I AM A GRADUATE
I AM AN AMBASSADOR**

"One thing my Dad did was ensure I did an Apprenticeship while at the Broncos, this way he said that at least you'll come out with something because footy could only last a year! I realise this now it's set me up for life."

DUNAMIS LUI

Cert IV Small Business, Graphic Design, Mentoring

**I AM GRATEFUL
I AM HUMBLE
I AM PASSIONATE**

Career benefits of engagement in NRL-VET Program

AVERAGE NRL PLAYERS CAREER

**I AM TRADESMAN
I AM AN ELECTRICIAN
I AM RESILIENT**

“Since completing my trade it has allowed me to chase my passion which is rugby league. By knowing I have my trade too fall back on it means I can pursue a football career and not have to stress about what I will do for work after footy. You never know when your career could end, however, it always helps knowing I will always have a trade too go back too.”

JOSH KING
Electrotechnology

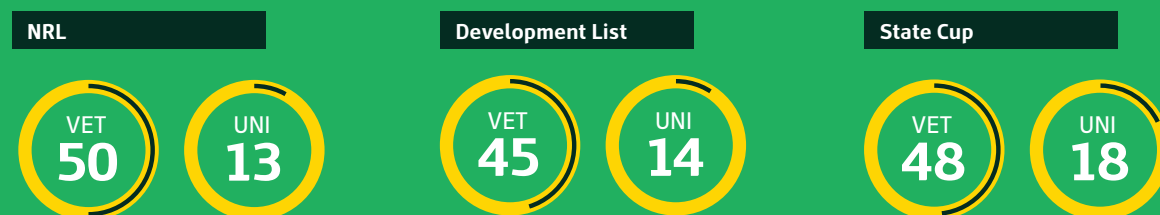

**I AM HARDWORKING
I AM LOYAL
I AM RELIABLE**

“I chose various qualifications as I am still unsure what I want to do post rugby league. Of course I love sport but I also enjoy discussing business problems so I wanted to combine both. I decided to undertake Personal Training, then do a small business course to then moving to sport business at university. I enjoy putting myself in an environment where I’m not most comfortable and learning new things.”
